Gas Leak Safety

- If you smells gas from INSIDE your house, immediately exit the property, ensuring to close as many windows and doors as you can.
- From outside (be away from property by at least 50-100 metres), call emergency services (triple zero) and request NSWFB/NSW Fire and Rescue.
- Once emergency services are on the way/have arrived, contact Argyle Housing and advise us (maintenance/repairs line).

How to Identify & Avoid a Scam

People are urged to
'Stop, check report'

1. Stop

Don't give money or personal information to anyone if unsure. Say no, hang up, delete.

2. Check

Scammers pretend to be from organisations you know and trust – like myGov, your bank, the police or government. If you're not sure, call the official phone number of the organisation to check.

3. Report

The more we talk, the less power they have. Report scams to scamwatch.gov.au when you see them.

Reminder: Smoke Alarms are required by law to be tested every year. We have arranged for the Smoke Alarms Australia to conduct these tests. Letters have been sent, so please provide access. If you are required to change the appointment. Please contact Alarms Australia on **1300 125 276**
