How to Identify & Avoid a Scam

People are urged to
'Stop, check report'

1. Stop

Don't give money or personal information to anyone if unsure. Say no, hang up, delete.

2. Check

Scammers pretend to be from organisations you know and trust – like myGov, your bank, the police or government. If you're not sure, call the official phone number of the organisation to check.

3. Report

The more we talk, the less power they have. Report scams to [scamwatch.gov.au](https://www.scamwatch.gov.au) when you see them.
